Front exciter, fits isolation mat, petrol Robin engine.

This Crommelins Plate Compactor CC90RP is built to industry best standards. Popular for pavers, contractors, and hire because it can clamp a dampening mat for paving jobs. The compactor will withstand the heavy demand for use by rental companies and contractors.

Features include a soft-grip handle to protect the user from excessive vibration. A 540x500mm plate size. Reversible handle for pulling/pushing the compactor. Lifting hook for easy transport. And also powered by a reliable Robin petrol engine.

A Honda powered option is also available. A Crommelins plate compactor is the perfect choice for any trade and will provide outstanding performance and longevity. Assembled and tested in Australia, the compactor also comes with a two-year manufacturer's warranty.
