Folding handle compactor, transport wheels, petrol Robin engine.

This Crommelins plate compactor CC60RP is built to industry best standards. Popular due to its plate size of 520x360mm and folding handles, this compactor is for trenches and tight spaces where standard compactors have difficulty fitting.

Features include folding handles for easy storage and transport in the boot of a car. The rear wheels are for moving on-site. A soft-grip handle protects the user from excessive vibration. Powered by a reliable Robin petrol engine.

A Honda powered option is also available. The compactor will withstand the heavy demand by rental companies and contractors to provide outstanding performance and longevity. A Crommelins compactor is also the perfect choice for any trade.

Assembled and tested in Australia, the compactor also comes with a two-year manufacturer's warranty
