

## Light breaker

Our TEX 220PS light breaker can handle most tasks. And just like you, they're unique. The Solid body design means the whole breaker is made from one single casting. Thanks to the technology, we can skip the bolts that are often used to keep the machine together. In fact, our breakers have between 25 and 35 less parts than other breakers. Fewer parts make simple servicing and better reliability. For you that translate to a little more done every day and a lot of time saved each month.

## Technical specifications

### Technical details

<b>Breaker type</b>	<b>standard</b>
<b>Breaker version</b>	<b>silenced</b>
<b>Weight</b>	<b>23,5 kg</b>
<b>Length</b>	<b>670 mm</b>
<b>Air consumption</b>	<b>30 l/s</b>
<b>Impact rate</b>	<b>1 320 blows/min</b>
<b>Vibration level 3 axes (ISO 28927-10)</b>	<b>12,8 m/s<sup>2</sup></b>
<b>Sound power level guaranteed (2000/14/EC)</b>	<b>106 Lw. dB(A)</b>
<b>Sound pressure level (ISO 11203)</b>	<b>93 Lp. dB(A)</b>
<b>Shank size: Hex</b>	<b>32x160 mm - 1 1/4 x 61/4 inch</b>
<b>Part number</b>	<b>8461 0225 33</b>
